Ricoh PJ WUL6281

RICOH
imagine. change.

Powerful installation projectors, tailor-made for large spaces

Our new high-end projector, the Ricoh PJ WUL6281 delivers outstanding image quality and brightness. The high intensity 6,400lm laser lights up large screens, and with a contrast ratio of 100,000:1, every last detail is easily visible. Offering easy installation, maintenance-free performance, instant turn on/off ability and outstanding laser light technology, the PJ WUL6281 is tailor-made for conference rooms, auditoriums and large audiences.

- High intensity 6,400lm light source for bright and easy viewing by larger audiences
- Exceptionally long life of 20,000 hours, thanks to the laser light source technology
- Instant image though the quick turn on/off feature
- Flexible installation with 4 point corner correction, 360° installation and portrait mode
- Rich compatibility with room control systems, such as Crestron, AMX and PJ-Link
